

-for Women!

Grand Mufti of Americas, Europe, Asia!

1st Rule: Extraction of Cellphone from
Women,
save one day week. Sat! Sun rec or
Church!

Rest of week WORK!

Don't indulge inborn lazy ass! Cellphone
an adjunct

one day to watch Roojey- Coo the Orange
Tabby

and her friend the bird Con-ooo-kuh! or
their

ADVENTURES!

Or play some alleged game for
toe-oh-tally vacant heads.

Males too!

They get a pass since everyone knows
that THEY
are imbeciles! But I had hopes for women
and
still have!

World needs them, not mouths at
cellphones
remarking as to how media whores wear
slutty dresses!

heads not hatracks.

Still more towards women!

That's because they cooperate more in
their destruction. We need much more
from them, not less! especially from
prudish
women who lust after men or girls

but won't say cah cah or pee pee!

how bout pictures of babies etc
Uncle Roy wins farting contest
anf aunt bea whips potato salad with
tons or mayo and pecans!
Great!

So you're not against fun?

Just lazy yard-wide asses w
cellphones!
nd chic French women?

Chic once! Now sloppily retarded as
everywhere else!

And japanese women, their delicacy!"

Makes it seem so much more gross!

To thine own self etc
